

CONTINENTAL MARK II DATABASE

Production Synopsis
Rev 10.11 18 March 15

- Trim codes denoted by **xyxy** are standard
- Trim codes denoted by **xyxy** are DSO or standard with some DSO modification
- Trim codes denoted by **xyxy** are DSO defined by augmented trim code designations. See Legend Page for full explanation.
- Note that the brass vehicle ID plate usually show only "DSO" as the trim on such cars. The "xyxy" and "xyxy" designations below were applied for the purpose of data analysis.

Legend: Date = last date vehicle reported / known in existence;
Scrapped = Vehicle parted out or junked in total;
No Specs = Vehicle produced but no data on configuration;
Int. Owner = Initial owner but no subsequent ownership history
No Owner = No known ownership history
Not Produced = No vehicle produced with this chassis number
